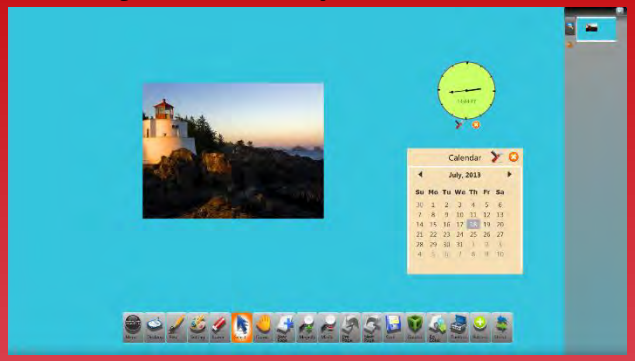
Prestigio Smart Conference

Prestigio Smart Conference Solution seeks to provide Business Customers a Completely Digital Environment in Communication and Collaboration with internal and external stakeholders

Prestigio Smart Conference

Prestigio Smart Conference will consist of 3 major components:



- *Prestigio MB*

- *Prestigio Smart Conference Software*

- *Prestigio Conference Peripherals*

Prestigio Education Solution Components

We provide Complete EcoSystem Solution

A. *Prestigio MB with AIO PC*
B. *All Applications Preinstalled on Prestigio MB*
C. *Prestigio EasiNote Application*
D. *Prestigio EasiMeeting Application*
E. *Prestigio Wifi PC Control application installed on Prestigio Multipad*
F. *Video Conferencing Application to be added in Future*
G. *Accessories Such as Web Camera, Microphone, Keyboard/Mouse*

Prestigio MB with AIO PC

Prestigio MB (MultiBoard) All In One PC is an Interactive White Board employing Touch Screen technology and an integrated Intel based PC

Highlight Features such as:

1. Full Set of Applications
2. TV Tuner
3. MCU (Main Control unit), including Remote Control
4. Full HD MultiTouch Screen
5. Wall Mount Kit (Stand is offered as optional)

Prestigio MB with AIO PC

AVAILABLE SIZES: 42”/55’/65”/70”/84”

Modular PC.

It’s thin. It’s small. It’s easy to install.

At the core of Prestigio MB- AIO PC is the modularized PC. It includes all the built-in apps you use every day and all the intuitive technology that makes it so advanced.

Detachable PC designed makes it easier to maintain.

Intel Core i3/i5/i7 high performance PC module

Prestigio MB with AIO PC

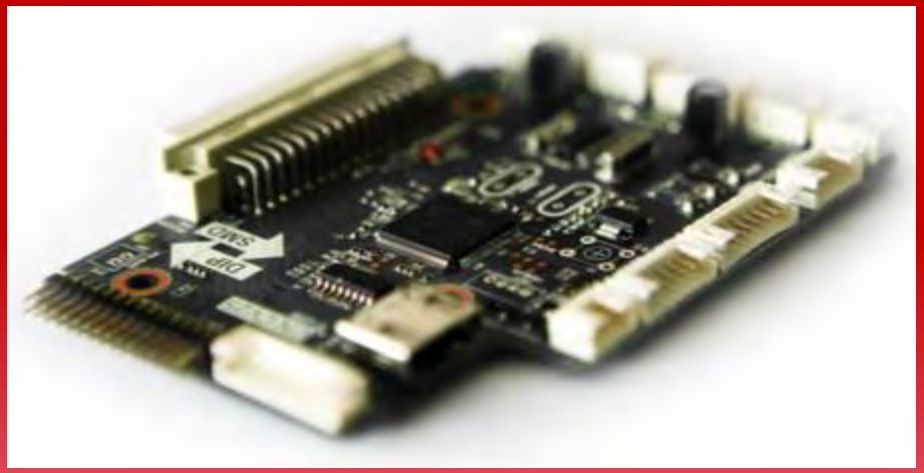
MCU (Main control Unit

Controls everything)



The MCU (Main Control Unit) is the brain of Prestigio MB- AIO PC. It controls the communications between the display drive board, the Modular PC and the touch frame. It is why Prestigio MB- AIO PC is so unique, realized the truly 'all in one'.

Remote Control Included

Prestigio MB with AIO PC

MCU (Main control Unit

Controls everything)

Press once.

And the game's on

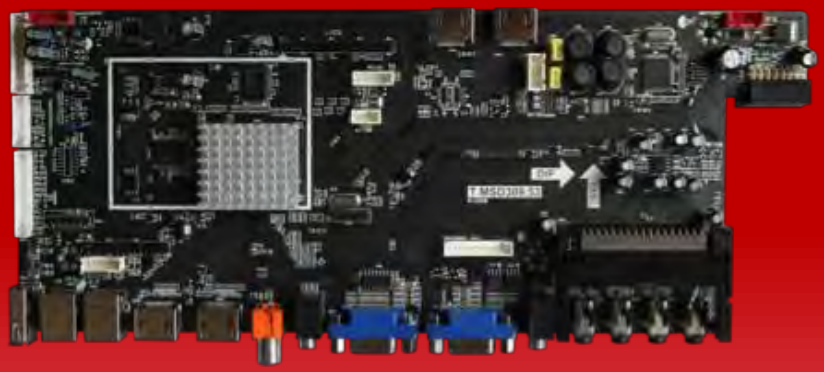
Because of the MCU, Prestigio MB- AIO integrates the PC, the Touch Frame and the Panel power together, all you need to do is simply press the power button, and it boots in light speed.

Prestigio

Prestigio MB with AIO PC

TV Main Board

Interactive White Board



Plenty of ways to plug in.

4M/8M flash, With HDMI 1.4a, VGA, COAX, USB, YPbPr, Gigabit Ethernet, Wifi, and audio in/out, Prestigio MB gives you just about every connection and port you might need.

Prestigio

Prestigio MB with AIO PC

Audio

Advanced design. It's never sounded this good.

For something so thin and slim, the sound is huge. And with a wide dynamic range, optimal balance, and a crisp, expressive quality, these speakers might sound too good to be true.

Prestigio MB with AIO PC

Multi-touch

up to 6points at present

With the world's most advanced infra-red multi-touch technology, Prestigio MB- AIO PC could support up to 6 points touch operation.

Prestigio

Prestigio MB with AIO PC

Stunning Full-HD displays your wisdom

We want this MB-AIO PC to have a screen as vivid as your imagination. A screen where everything you see is remarkably vibrant, detailed and sharp. Using HDMI connection, it's something that you never seen before.

Prestigio MB with AIO PC

Glass

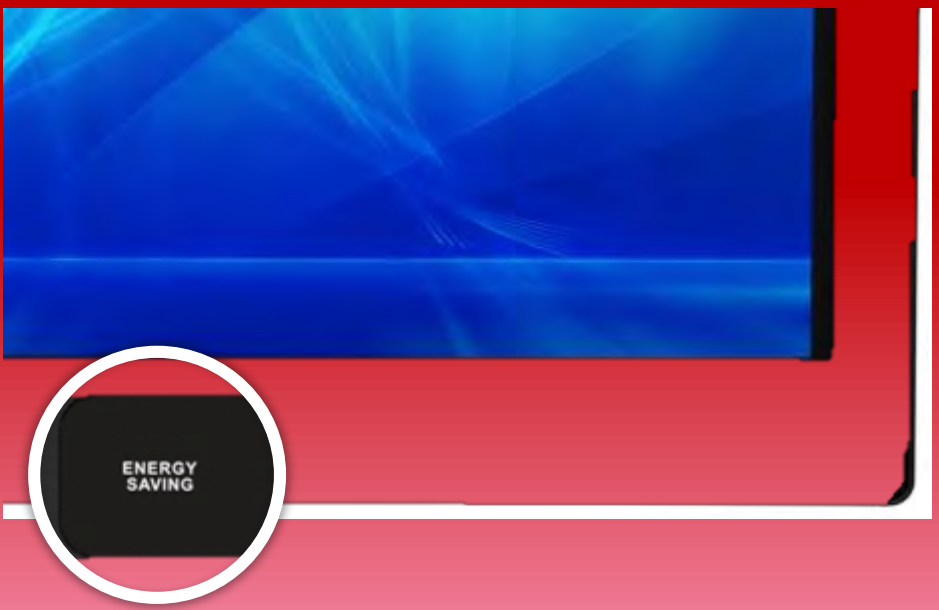
Strong.
And no glare.

Prestigio MB- AIO PC uses strong steel glasses (up to Mohs 7) to ensure the safety of the product. Besides, we made special treatment to the glasses to reduce the glare to nothing.

Prestigio

Prestigio MB with AIO PC

Environmental



Energy Saving.

For our planet.

Line voltage: 100-240V AC
Standby Power Consumption: <0.5W

Prestigio Conference Applications

Born for this.
Ready for anything.

Applications made for Prestigio MB- AIO PC are like no other. That's because applications for this are designed specifically to take advantage of all the technology built into Prestigio MB- AIO PC.

Sensitive touch system lay the foundation of the using of software.

PRESTIGIO CONFERENCE SOLUTION
Software Applications

Software	**Prestigio EasiNote**	White board software. Works on Background
